

Privacy Policy

We, Valdel Advanced Technologies Pvt Ltd, shall strictly observe certain guidelines in using personal information collected from you ('The User') through our website:

For the purpose of this privacy guidelines, Personal Information means, any data which relates to an individual who may be identified from that data or from a combination of a set of data and other information which is or may be in the possession of Valdel Advanced Technologies.

We may collect certain information such as your IP address, your computer's operating system, etc. to provide better usability, troubleshooting, site maintenance, etc. You may also provide personal information while browsing our site, and certain sections such as Contact Us, Talk To Us, Customer Feedback, etc.

Personal information:

Valdel Advanced Technologies shall not use the Personal Information with third parties for any purpose without seeking your prior permission. We will seek your consent prior to using or sharing Personal Information for any purpose beyond the requirement for which it was originally collected.

If required by law enforcement agencies or authorities, we may disclose Personal Information to external law enforcement bodies or regulatory authorities, in order to comply with legal obligations.

Use of cookies:

Cookies are small text files that, like most other Web servers, we place in your device that you use to access our website. This is done to recognize your device during a session or in your future visits to our website, primarily in order to provide better user experience.

Types of cookies used:

a. Session cookie: Session cookies remain only as long as a browsing session is active, and are intended to avoid user inconvenience during browsing. These cookies allow websites to link the actions of a user during a browser session and expire at the end of the browsing session. Session cookies also assist the user in navigating the website, and allow the user to access secure parts of the webpage when logged in.

b. Persistent cookie: Persistent cookies are stored on a user's device even after termination of a browsing session. It helps in recalling the preferences or actions of 'The User'. Persistent cookies are used for a variety of purposes such as retaining the visitor's language and regional preference(s) at the end of each browsing session. We may use services of third-party analytics service provider to analyze cookies to carry out a behavioral analysis in order to enhance user experience and convenience and also to provide targeted and relevant content to visitors.

Data Security

Valdel Advanced Technologies adopts reasonable and appropriate security practices and procedures to safeguard your Personal Information.

Data Retention

Valdel Advanced Technologies may retain your Personal Information as long as there is a business requirement, or if otherwise required under applicable laws.

Linked websites

Valdel Advanced Technologies may provide links to third-party websites and services. Valdel Advanced Technologies is not responsible for the privacy statements, practices, or the contents of such third-party websites.

How to contact us

If you have any questions regarding our privacy practices or this privacy statement, you may inform us email: info@valdelat.com

Updates to this privacy statement

Valdel Advanced Technologies may change the data privacy practices and update this privacy statement as and when the need arises, and the same will be made available on the website.
